We Value Your Expectations

We Assess We Propose We Commit We Provide

About Us: Taking in to the account of the current situation of unemployment, scams, mishaps, terrorist attacks, drug addiction, eve teasing, abduction, child and female abuse, old citizen and housewife's assault and house breaking etc. the security cover has become extreme necessity in every one's life. **We are set to play vital role to fulfill our commitments towards the society with endangering our lives while complying it.**

"Panther Protection Force" formerly known as **"Jaylaxmi Facility Services"** was established in year **2006**, by the professionals who endeavored for the general safety of human and valuables with clear cut intentions of **Honesty Integrity and Dedication.**

Our Focus: On providing our expertise services to our most precious client's utmost satisfaction, slow and steady growth of our business by retaining of our every associate. Our every concern is to render value back services and value the importance of **"Service with Smile"**.

We train our staff in every aspect of the security and to operate with their ears and eyes open. We emphasis that our every staff, keep themselves abreast of every possible and available information within the areas of their operations and jurisdiction. Thus we become mediator for our principal employer. In other way we possess the qualities of **"Site Espionage"**.

Our Vision: To create **confidence and reliability** of secured state in the minds of our employers once the responsibility of security provision is entrusted to us. We believe in strong association, dedicated service and sincere efforts for improvement, suggestions and proposals for betterment. We are strongly desirous of being an asset and not liability of our employer.

Operational Standards and Parameters:

Selection of healthy and strong staff, ensuring of their good habits, past employment record, well-mannered behavior, orders obedience, regular briefing, periodical training in **Industrial security, and firefighting** by our thoroughly experienced operational staff members, regular day and night visits of the sites and constant touch with the client for the feedback are our basic operational measures.
